Art@Heart

2017-2019

Cooperation for Innovation and the Exchange of Good Practices

Project's content

What does the title stand for?

ART represents activities concerning painting, handicrafts, music or drama.

@ is a symbol for connecting with each other and using different tools and mobile applications during the project.

HEART speaks for everything concerning health and lifestyle.

Aim

The project aims to show students that through collaborative learning communities focussing on art, music and literacy skills we can learn to learn from each other and focus on cultural , linguistic and educational differences as an enhancement of our society. Through team work using a variety of ICT skills and tools we aim to develop lifelong basic skills for a success.
